

Belgium Antwerp imported solar container battery company

Overview

The batteries, 40 Intensium Max High Energy lithium-ion containers, will be supplied by Saft, the battery subsidiary of TotalEnergies, confirming its position as European leader in industrial-scale stationary storage with this project. Saft - TotalEnergies launches in Belgium its largest battery energy storage project in Europe. The installation will be operational by the end of 2024. TotalEnergies has a portfolio of 450,000 BtC and 100,000 BtB electricity. Is totalenergies launching a second battery storage project in Belgium?

On the occasion of Belgian Energy Minister Tinne Van der Straeten's visit to TotalEnergies' Antwerp refinery battery storage project, the company announced the development of a second similar project in Belgium.
