

# Energy storage container cabinet air conditioner

## Overview

---

This series of integrated energy storage container air conditioners are designed for energy storage containers, outdoor energy storage cabinets, and power cabinets, suitable for applications in the field of electricity and energy storage. Venttech is a professional cooling equipment manufacturer and solution provider in the cooling industry, with the core direction of industrial cooling and immersion cooling. Best quality and best price is what we pursue. Our products have been exported to. Battcool-AC series air conditioner is developed mainly for containers.
