

Free installation of photovoltaic solar power generation

Overview

The short answer is no, you can't get free solar panels from the government. Although 30% won't cover the total cost of installing solar panels at your home, the Federal. The Department of Energy is aware of claims of offers for free solar panels or that solar companies must provide solar panels for free if requested. However, the federal government does not offer any programs for free home solar panel installations nor does the government require companies to grant. Solar panel grants are direct cash payments or credits that reduce the upfront cost of installing a solar energy system on your home. Unlike loans, these funds don't need to be repaid. Join over 8,000 people who received a free, no obligation quote in the last 30 days.
