

How is the Idk photovoltaic panel

Overview

The LDK-245D-20 solar panels have a rated output of 245 Wp and an impressive efficiency of 15. LDK Solar is one of the biggest producer of solar wafers that are used by crystalline solar panels. As a vertically integrated manufacturer and supplier of photovoltaic (PV) products, LDK Solar has more than 21,900 employees worldwide. Homeowners can also pair these panels with energy storage solutions, such as home batteries, to store excess energy for use during peak hours or in case of power outages. LDK was a rising star among Chinese panel manufacturers in the early days, but didn't last the distance—it went into bankruptcy in 2015. Jiangxi LDK Solar High-Tech Co.
