

How to cancel the photovoltaic panel scam

Overview

Learn how VOID MY SOLAR helps homeowners legally cancel unfair solar contracts. Under the Federal Trade Commission's Cooling-Off Rule, consumers may have a right to cancel certain door-to-door sales of \$25 or more. This rule generally applies to sales, leases, or rentals of consumer goods or services personally solicited by a seller at a place other than their permanent place. By providing my contact details, I agree to receive customer care calls and text messages from Solar Cancellation Resource Center about cancelling my solar purchase agreement. These communications may include appointment confirmations, service updates, account alerts, and may be delivered using . This article will highlight the red flags of fraudulent solar programs and teach you how to protect your personal information, compare offers from different companies, and ensure you're only working with a reputable company before moving forward with solar energy improvements. Free Case Review - Speak to a case analyst and tell us what happened. Eligibility Confirmation - If your case qualifies. Consumers who were misled or tricked into purchasing solar now have a legal way to cancel. We focus on identifying violations and creating strategic exit solutions. We know that going solar is often driven by the hope of saving money and gaining energy independence.
