

Huawei Philippines solar energy storage device

Overview

Huawei has signed an agreement with the Meralco Terra Solar project in the Philippines to supply a 4.5GWh battery energy storage system. This marks Huawei's largest energy storage project, integrating containerized batteries, fire suppression systems, and advanced energy management. FusionSolar Smart Energy Home provides a one-fits-all solution from power generation, storage, to charging and power consumption. We always maximize efficiency and safety to power more households for a better, smarter, and more sustainable future.
