

Huawei solar battery cabinet warranty

Overview

Huawei offers industry-leading warranty coverage for its lithium-ion battery systems, typically providing 10-year limited warranties for residential and commercial applications. If any product quality defects occur during the warranty period, Huawei will provide free services based on the specified. Warranty commences from the 90th day after the date of the product shipment from Huawei, or the date on which Huawei receives a formal service request for the product, whichever is earlier. When the grid power is insufficient, the energy stored in the batteries is output to loads through the SmartPCS. A Replacement Product shall be the Customer's sole and entire remedy in respect of (360) days from the date of replacement, whichever is longer.
