

IP66 communication power cabinet for remote areas

Overview

An outdoor telecom cabinet is a specially designed protective enclosure installed outdoors. It acts like a solid “steel house” for communication, power, and networking equipment. What Are IP Rated (NEMA) Outdoor Network Cabinets?

IP rated cabinets offer. Vikinor outdoor enclosures, including our industry-leading multitenant cabinets, safeguard critical telecom, energy, and industrial equipment from weather, dust, and vandalism. Designed to meet high protection standards and environmental demands, they ensure reliable performance for equipment. The Transtector TT-NEIA-FL-6618 is a floor standing network cabinet specially designed for the outdoor environment.
