

Ireland outdoor telecom cabinet

Overview

The cabinet is made of weather-resistant stainless steel or galvanized steel plate with surface spray treatment, offering excellent corrosion resistance, dustproof and waterproof performance, with a protection rating up to IP65 or above. This telecom cable box is a domestic entrance termination unit used for Eir, Sky, Virgin and all other domestic services. Features like sealed designs and IP-rated enclosures shield against water and dust. AZE Telecom offers top-quality weatherproof outdoor electrical enclosures and telecom cabinets.
