### [Shedding Light on Women in Solar: How - And Why](#)

Bias Toward Hiring Men  
Women Sell Well  
Women Make Good Managers  
Designing Sales Roles to Accommodate Women  
Finally  
The truth is that women tend to be better, more consistent sellers. Generally speaking, they listen well and convey trust and honesty in their dealings with others. In a landscape that is fraught with shysters and faulty, unsupported products, women are believed to be trustworthy - and therefore customers, by extension, place trust in the products. See more on [nextbillion](#) [cgprotection](#)
