

# Lead-acid battery cabinet IP66 purchase warranty period

## Overview

---

Our standard lead-acid batteries are covered for 5 years / 60 months. If your battery ever becomes unserviceable due to defects in workmanship or materials, BBI will repair or replace it — giving you peace of mind from day one. With warranty confirmation, you'll incur no cost for parts or labor. The period is defined by the date of manufacture based on the date code on the battery. This form should include basic information about the battery, such as its serial number, purchase date, and a detailed description of the issue. This Warranty is given by Vertiv ONLY to purchasers who in any event, a maximum of eighteen (18) months from date of product shipment from Vertiv.
