

# Liberia solar container battery Project

## Overview

---

— The Government of Liberia, through the Liberia Electricity Corporation (LEC), has signed a landmark agreement with renewable energy company Scatec for the construction of a 23. The utility-scale project will feature 70 MWp of solar PV plants and 20 MW/60 MWh of battery energy storage systems (BESS) in Buchanan and Yekepa. “These agreements mark a significant step in strengthening our renewable energy presence and delivering flexible, modular. Major projects now deploy clusters of 20+ containers creating storage farms with 100+MWh capacity at costs below \$280/kWh. [pdf] Contact SunContainer Innovations"s team via [email. Once a conditional CIS agreement has been signed, the projects are due to.

## Liberia solar container battery Project
