[Mozambique's First Large-Scale Solar Power Plant](#)

Capital and expertise from Scatec Solar, KLP and Norfund enabled the construction of Mozambique's first large-scale solar power plant. Central Solar de Mocuba (CESOM) provides over ...

[Empowering a Remote Community in Mozambique](#)

The project is an important pillar in Mozambique's ambitious energy transition strategy, which aims to attract billions of dollars of investment into hydropower, solar, and wind generation and ...

[Mozambique finalises 400MW solar plant feasibility studies](#)

Mozambique has completed feasibility and environmental impact studies for a 400-megawatt solar power plant in Tete province, paving the way for the launch of a major renewable ...

[Top five solar PV plants in development in Mozambique](#)

Of the total global Solar PV capacity, 0.01% is in Mozambique. Listed below are the five largest upcoming Solar PV power plants by capacity in Mozambique, according to GlobalData's ...

[Mozambique's \\$110M Solar Project: A Major Step for Green Energy](#)

Learn how Mozambique's new \$110.6M solar project in Moamba will advance its goal of universal electrification by 2030 and create a sustainable energy future.

[Mozambique to launch bidding for 400MW solar power project ...](#)

Mozambique is moving forward with a major renewable energy initiative following the completion of feasibility and environmental impact studies for a 400 MW solar power plant in Tete ...

[Mozambique's First Large-Scale Solar Power Plant](#)

Mozambique has completed feasibility and environmental impact studies for a 400-megawatt solar power plant in Tete province, paving the way ...
