Are Must Inverters Any good?  
Customer Testimonials  
Must Inverter Alternatives  
Final Thoughts  
The biggest advantage of a Must inverter is its affordability. Compared to most alternatives available locally, Must is one of the cheapest inverter brands. The biggest disadvantage is they are not as recognized a brand as say a Victron or Mecer inverter. They are still relatively new to the market and there isn't as much hard data on performance, See more on [solarenergyscout](#)
