

# Photovoltaic panel installation fraud

## Overview

---

Did a salesperson knock on your door and promise free rooftop solar panels at no cost to you?

Or say you'll never have to pay another electricity bill because government programs, grants, or rebates cover your solar installation?

It's likely a scam. While there are some government-funded solar. Scams, schemes and straight-up fraud abound in the dark underbelly of an otherwise light-filled industry. gov/state-consume purchase agreement, or subscribing to a community solar. At The Holland Law Firm, we specialize in protecting consumers against fraudulent practices within the solar industry, providing legal assistance to those who have fallen victim to deceptive marketing, misleading contracts, and other unethical practices. With an in-depth understanding of consumer. In the worst cases, homeowners have been left making payments on overpriced systems that don't work, with little to no support from the installation company that put the panels on their roof. To avoid getting scammed, you need to know what to look out for and when to walk away.
