

Port moresby geographic locations

Overview

Port Moresby, city and capital of Papua New Guinea, southwestern Pacific Ocean. The city serves as the country's main economic, administrative, and transportation hub, with a population of approximately 364,125 (2011 census). It is the gateway to PNG, and almost all visitors to the country pass through the city. While it has a daunting reputation due to high crime rates and is considered one of the least livable cities anywhere, almost all of the locals are welcoming and.
