Attempt 1: Water Pump Fail
Attempt 2: Water Pump Success!
Using A 12V Pump on Your Homestead
There was definitely a happy water dance the day we got everything connected with no leaks and correct pressure! Not having to transfer water daily is a huge time saver. With all the other things we have on our plate out here, the last thing we need to be worrying about is making sure there's water in our fresh tank each day. Unless you need to pum See more on tinyshinyhome Author: Jonathan Longnecker
