

Solar container outdoor power with ultra-high power of more than 3 000W

Overview

The new DELTA 3 Max Plus and Ultra Plus series raise the bar for traditional power stations, offering higher continuous power ratings of up to 3,000W for the Max Plus and 3,600W for the Ultra Plus. It also boosts surge capability to 6,000W and 7,200W, respectively. Check each product page for other buying options. Manufactured using processes that reduce the risk of negative environmental impact. Need help?

. Our 20 and 40 foot shipping containers are outfitted with roof mounted solar power on the outside, and on the inside, a rugged inverter with power ready battery bank. Fully customizable to your exact needs. The durable container design is completely waterproof, protects you and your equipment from. Jackery, founded in California in 2012 with the vision of offering green energy to everyone, everywhere, has emerged as a trailblazer in the solar generator sector and a globally renowned top-seller. 8kWh (12kW) for days-to-week-long backup. With lightning-fast charging, heavy-duty output, and intelligent controls, it's your go-to solution for energy. Our latest Energy Storage Cabinet is designed for both on-grid and off-grid applications, combining advanced LFP (LiFePO4) battery technology with intelligent EMS protection for maximum performance, safety, and durability - perfect for commercial, industrial, and residential energy systems.
