

# Vietnam Ho Chi Minh solar panel greenhouse manufacturer

## Overview

---

Ho Chi Minh (08 May 2024) – Trina Solar, a global leader in smart PV and energy storage solutions, has been steadily ramping up production at its manufacturing facility in northern Vietnam, demonstrating its commitment to the local market. Our workforce in Vietnam has grown to more than 1,200 associates who are leading the way in the development of solar module design and production. SolarBK is one of the leading solar panel manufacturers in Vietnam. Ho Chi Minh City (HCMC) dominates as the primary hub, hosting established factories and R&D centers. Northern provinces like Hanoi offer growing production. Green Wing Solar Technology primarily specializes in residential, commercial and industrial solutions for solar panel installation. Being led by a mission to constantly strive for the best, high efficiency PV products, as well as supreme value-added services to customers, its focus lies not just on. Vietnam's solar panel industry is experiencing unprecedented growth, driven by rising energy demands and the country's commitment to sustainable development. However, challenges such as supply chain disruptions, regulatory hurdles, and the need for advanced technology adoption still impede its full.
